# **BLACK POWDER SURVEY**

## **METALIC CARTRIDGE AND MUZZLE-LOADING SPORTING ARMS**

The Black Powder Committee of the DMSC is currently conducting a survey to determine the total number of members that are interested in becoming part of the Black Powder Fraternity.

This discipline will include the use of flint and percussion as well as metallic cartridge rifles, pistols and shotguns from the earliest colonial era through all of America's military engagements from the French and Indian War, our American Revolution, War of 1812, Mexican War, the American Civil War, and the Western American Indian conflicts

Whether you "patch" a round ball, load a military "minie ball", shoot a modern "inline" or a black powder "cartridge" gun, we would like to see you on the range as a shooter or a competitor.

If you would like to demonstrate your competitive spirit with the use of these antiques or exercise your hidden enthusiasm for black powder, your participation is welcome.

# PSRL Update

Dormont-Mt. Lebanon finished the season last night with a make-up match from December 13 at Allegheny. After being concerned that we might not have three live people to travel up (and thank you all of you who volunteered in case we fell short) Allegheny ended up being the ones with not enough shooters; this is the first time this has happened to them all season.

Here are the results:

March 14, 2018 (December 13, 2017) @ Allegheny  
Dormont-Mt. Lebanon

Tom Gerner	50-3	50-4	98	97	295
Miles Ford	50-4	50-3	99	96	295
Matt Piatt	50-5	50-5	100	95	295
Jason Allshouse	50-5	49-3	100	94	293
Tom Benedict	50-4	50-5	99	94	293
					1471
Fritz Hempelmann	50-5	50-4	97	91	288

Allegheny

Darryl Guthrie	50-4	49-2	99	95	293
Ray Magerl	50-5	50-4	97	90	287
Gene Lechmanick	50-3	49-3	100	88	287
Bill Crooks	49-3	47-2	96	61	253
					1120

Congratulations to Miles Ford, who finished the season with a bang! The 295 is the highest score that Miles has fired as far back as the 2013-14 season (I don't have records on my computer before that) — Good job Miles! Congratulations (and a Razzie) to Tom Benedict, who shot the first 29 shots really well last night, and I believe had a "6" on his last shot.

More congratulations: Tom Benedict, with his 50-5x sitting last night finished the season with a 50.00 average with 4.20x in the sitting position and looks to have taken second place in the league! And congrats to Matt Piatt, with a 100 kneeling last night Matt finished the season with a 99.80 average and should be taking home the Mike Eddy Kneeling Trophy for first place in the league. After many close calls I believe this is Matt's first time winning high kneeling.

I've finished, after a rather shaky start, with a 297.50 average and a 97.93 average standing, so Dormont-Mt. Lebanon will be taking home a number of trophies at our banquet on May 20.

Thank you to everyone who shot this season and to everyone who has helped support the team and making this season such a success. Next year we're just going to score more points against Frazier.

We will have a practice this Sunday at 6:00, and there are several good matches upcoming:

Sunday 3/25 – Robert K. Moore 100-shot Off Hand Match at Frazier-Simplex

Sat-Sun 4/7-8 – NRA Jr. 3P and Air Rifle Sect. at our range – Let me know if you can help.

Sat-Sun 4/28-29 – Pennsylvania State 4P Championship at Dormont-Mt. Lebanon. I hope everyone can come out and shoot. Good Shooting Everyone!

The day just got warmer, brighter, clearer as it went on. Mssrs. Morley and Jaworski(2) have learned to shoot between heartbeats, congrats! Mr. Wancheck seems to have his M1A all tuned for the years competitions. Nice work with the bolt handle Mr. G. It's a good thing that we keep X-count or the LaFrance boys would be duking it out. Thank you all for your cooperation and attention to details of range safety.

#### **DMSC Conducts Safety Reviews**

Range Safety Officers (RSOs) will conduct random membership checks and safety reviews. RSOs will meet with members and guests while at the firing range. Each member will be given a green safety card with important safety information to review, membership ID's will be checked, a green sticker will be affixed to the membership card, and a copy of the range rules will be made available. It's important for all members to review safe gun handling procedures and to focus on the safety rules for each range used. The RSOs will be wearing a distinctive safety vest and hat and will only ask for a few minutes of your time.
