- **Club Meetings:** As of now, all Membership meetings have been cancelled through 2020.
- **COVID-19 Update:** The hysteria is settling now. The County is in the Green Phase. With that, our Calendar is slowing down with revisions and we are starting to ramp up with our summer events. Please continue to review the Calendar for now to ensure the event you want to attend is still being held.
- **RSO's and ACT 33 CERTIFICATION:** Just a reminder to keep your status up to date. Your RSO certification is due every 2 years and your ACT 33 certification is due every 60 months. Check yours now so you can keep them up to date.
- **Range Report:** There are reports of bottlenecked cases found on the plinking range. This is a reminder, only calibers with straight walled cartridges are allowed on the plinking range.
- **Steel Challenge Range:** The new steel rack has been installed and seems to be settling right in!
- **LOST & FOUND:** If you believe you've lost an item of yours in or around the Range property, please email DMSCNews@gmail.com to inquire about it.

2nd ARC Plus Pistooleer Match

As part of the America's Rifle Challenge Program, DMSC will conduct the **second** Pistooleer Match for 2020. Pistooleer Match?? **Just what is a Pistooleer Match?** If you have been shooting down on the lower ranges, then you are a "Pistooleer" and this **unique** match may be something of interest to you. Participants will compete in seven "pistol only" stages firing at paper, steel, and motion targets. This is an action pistol match and the course of fire entails modern day defensive shooting skills involving distances from 5 to 30 feet, multiple targets, barricades, several reloads, **and a whole lot of fun.**

New Date: Saturday, October 10, 2020 **Time:** 8 AM **Cost:** \$5 for DMLSC members; \$10 for non-members.

Pistooleer Course of Fire: Total rounds - 80

Stage 1: 5+ feet. Fire four shots from the kneeling position and twelve shots from the standing position using four different target stands, three reloads and the use of a barricade.

Stage 2: 30+ feet. Fire up to ten shots at the dueling tree.

Stage 3: 20+ feet. Fire twelve shots at four different targets with a reload.

Stage 4: 30+ feet. Fire up to ten shots at a steel plate rack.

Stage 5: 5+ feet. Fire twelve shots at three different targets, three reloads, and the use of a barricade.

Stage 6: 30+ feet. Fire nine shots at three stationary targets while avoiding a double swinger action target containing two No - Shoot targets.

Stage 7: 30+ feet. Fire up to eleven shots at several steel targets and a pop-up paper target with a reload.

**** Note: The actual stages are more robust than this brief description. After signing up for the match, a full detailed description will be sent along with other important information. ****

Firearm Categories:

Iron Sights: a pistol that has only iron sights

Optics: a pistol that has only an optic, such as a Red Dot, laser, etc.

Pistol Types: semi-automatic, double action revolver (DA), single action revolver (SA)

- **While there are no pre-requisites, this match will not involve any instruction and participants should possess safe pistol handling skills.**
- All NRA Safety Rules and DMLSC Rules apply.
- Competitors need to attend a mandatory safety briefing conducted at the clubhouse.
- Keep all pistols cased and in your vehicles until instructed to bring them to the lower ranges.
- Eye/Ear Protection is mandatory.
- Calibers from 9 mm through 45LC are allowed, but no magnums. **All pistols must be securely carried in an exterior holster.**
- The match will be conducted as an individual utilizing a shot timer. Scoring will be a combination of speed and accuracy. All stages will begin from the low-ready position.
- Competitors should have a minimum of 3 magazines for the semi-automatic pistols and will need to carry them on the person for each live fire stage. While primarily designed for semi-automatic pistols, **participants using DA or SA revolvers** may experience longer run times due to reloading but will still get to enjoy the same marksmanship challenge and fun.
- No incendiary ammunition. **All stages utilizing steel targets - Lead core ammunition only,** no armor piercing (AP), no solid or partial core ammunition containing steel or any metal other than lead.

Space is limited to 24 shooting positions. To ensure your participation, contact John T. via email: dmlscNRA@outlook.com

A picture-perfect day to have an outdoor rifle match. Beautiful light, balmy breezes, low dew point. Mr. Locke appears to have tamed his savage beast and has taken the match. Mr. Augenstein was but a nose behind. Mr. Locke cannot rest on his laurels. Mr. Willard shows he can handle the wood stocked .30 cal gas guns. Thank you all for your attention to range safety and viral hygiene.
